Parent Interest Survey 2010-2011

In order to create an effective partnership between parents and the school their child attends, it is important to find out the kinds of topics that interests them most. We have listed several topics useful to you as you support your child's development. Please check the items that interest you.

You may also write in a topic of interest if it is not covered in our list.

- Adult Basic Education
- Job or vocational training programs
- Working with computers
- Health issue workshops
- How to help children with homework
- Parent discussion groups
- Child discipline workshops
- Crafts and holiday decorations

Please share other topics of interest to you.

Please check the best times for you:

- Mornings
- Afternoons
- After school (3-5pm)
- Evening (7-9pm)
- Saturday (morning)
